Arthritis Relief Dog Cookies

Diabetic Dog Cookies

The Old Dog Cookie Company

- All Natural, human grade dog treats.
- Started in 1996.
- A year spent researching/testing products within the veterinary community.
- Each ingredient is selected for its nutritive and health benefits.
- Each recipe carefully formulated to improve the health of your dog...and they taste good too!

Diabetic Cookies:

Our Diabetic Cookie, is formulated with all natural ingredients (brewers yeast, garlic, dandelion, applesauce, etc) known to regulate blood sugar to help a dog better manage its insulin requirements.

Arthritis Relief Cookies:

These treats are formulated to provide vitamins, minerals and other natural essential elements (oats, alfalfa, honey, raspberry leaves, etc) that are known to help a dog maintain optimal joint function and relieve stiffness.
